BrilliantSmart globes allow you to control the lights in your home wirelessly. Set schedules, adjust colours and dim to suit your mood. Ideal for creating the right atmosphere for movie night, dinner for two or those weekend parties. Can also be used as a night light.

- Create different colour scenes and mood lighting.
- Rated lumens: 750lm - 800lm (white).
- 220° beam angle.
- Working voltage 240VAC 50Hz.
- Dimmable only via app and/or voice control through Amazon Alexa® and Google Assistant®
- Create schedules & timing to automate your home.
- Control from anywhere via app or voice control.
- Connects to other BrilliantSmart products.
- 2-Year Warranty
