

Pairing functions continued

To Remove Pairing: Via App Only

- On main screen
- Select 'Pair'
- Select 'Clear Pair'
- You will see on screen 'Clear Success'
- Un-pairing is now completed and Kinetic switch is now no longer usable with Jupiter WiFi Dimmer Connector.

Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 12 months from date of purchase. Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, or incorrect installation.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 12 months of the date of purchase of the product.

Refer to our website brilliantlighting.com.au for terms and conditions and warranty claims.

Installation

Method 1 - Double Sided Tape

Use the double-sided adhesive tape (included) to mount the switch onto an even, smooth and clean surface such as plaster, glass, marble and tile surface.

1. Attach double-sided tape to the back

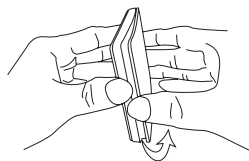

2. Stick the switch on a clean surface

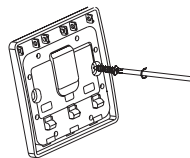

Installation

Method 2 - Wall Mounted

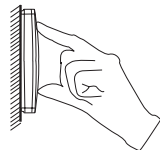

Carefully open the switch panel as shown below, and fix the switch on to the wall.

1. Carefully open the switch panel.

2. Mount to the wall with screws & plugs provided.

3. Press the cover back to the base.

Other instructions

1. Each button of the switch can be paired with a Jupiter WiFi Dimmer Connector.
2. Do not fully immerse kinetic switch in water.

Pairing functions

Pairing Device: Using App

- Once the Jupiter WiFi Dimmer Connector is fully installed by a Licenced Electrician, powered on and linked to BrilliantSmart app (refer to Jupiter Dimmer Connector instructions). Open the BrilliantSmart app, select the Jupiter WiFi Dimmer Connector icon.
- Select 'Pair' on Screen menu.
- Select 'Start Pair'.
- Pairing will begin - click Kinetic Switch once only.
- Once pairing is complete screen will state 'Success'.
- You can now control your Jupiter Wifi Dimmer Connector with you Kinetic Switch.
- Press once for On.
- Press once for Off.
- Press and hold to Dim
- Press and hold to Brighten.
